HOW TO REGISTER

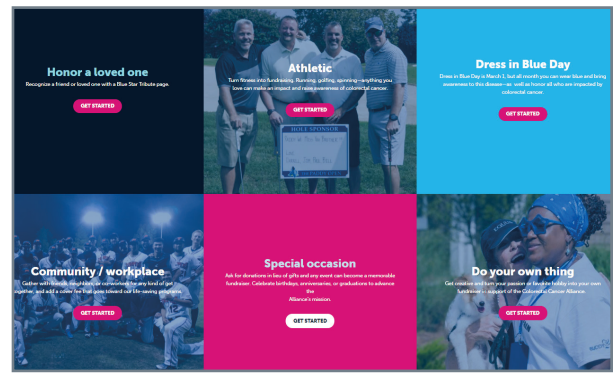

BECOME A DIYNAMO! Turn your passion into a fundraiser with our DIYnamo platform. Create fundraising events, update and share your personal story, reach out to potential supporters via our online fundraising tools, and accept online donations – all in one place!

Step 1

Visit ccalliance.org/diyamo

Step 2

Choose the type of fundraiser you'd like to host.

Step 3

Select "Get Started" to begin the registration.

- Choose if you want to register with your Facebook account or create a new account with the Alliance. Note that if you use Facebook, you'll be prompted to log in to your Facebook account and the Alliance will receive the name, profile photo and email address associated with that account.
- If you already have an account with the Alliance, you'll be asked to log in using your existing password. If you can't remember your password, you can reset it using the "Forgot Password" link, or reach out to Lizzie Glaser, Senior Manager of DIY Fundraising, and she can reset it for you!

Step 4

Once you've filled out your registration details, click on "That was quick!" to submit.

You should be redirected to your HQ – an online fundraising center where you'll have access to tons of tools to make your DIYnamo fundraiser as successful and easy as possible!

A registration form for a fundraiser. It includes a 'Sign Up with Facebook' button, a list of things you can do once logged in, and a list of registration details. The 'That was quick!' button is circled in pink.

Today you can inspire others to take ownership of this campaign by asking them to donate on your own fundraising page. Thank you for supporting the Colorectal Cancer Alliance!

Sign Up with Facebook

Create an account to get started – your page includes all the tools you'll need to have a successful Fundraiser.

A few things you can do once logged in:

- Create a name for your Fundraiser
- Invite friends and family to join
- Create a personal fundraising URL
- Set a goal for your event
- Upload a photo and description for your page
