

# EVERY FAMILY IS DIFFERENT.

Draw a picture of yours! Include anyone you want, like Mom, Dad, Grandma, Grandpa, and brothers or sisters if you have them. Aunts, uncles, and cousins are family, too! Everybody counts.

**Big or small, the  
Census is for us all.**

**Hey, adults!** Have you heard that the 2020 Census is coming up? When you complete the Census for your address, make sure to include babies and children on the form—and not just your relatives, but any little ones living at your address most of the time, even if it's only temporary. When babies and children are included, the programs that support them get more of the funding they need.
