(Tiltify) Stand Up To Cancer // #SU2CStreamTeam FAQs

Thank you for joining the #SU2CStreamTeam in raising awareness and funds for cancer research. Below are frequently asked questions for you to use to inform your audience on stream, in chat, etc.

ABOUT / GETTING STARTED

What is #SU2CStreamTeam?

Stand Up To Cancer's Stream Team (#SU2CStreamTeam) is a way to raise money in support of Stand Up To Cancer's collaborative cancer research by hosting a fundraising stream on one of your favorite platforms (e.g. Twitch, YouTube, or Facebook Live) through Tiltify.com, which provides fundraising and donation tools. You can also choose to use the built-in fundraising tools provided directly by the platform (e.g. YouTube Super Chat, Facebook donate button).

How do I get started?

To get started on Tiltify, visit [Tiltify SU2C](#) and click the “Start Fundraising” button. Tiltify can connect with your Twitch, YouTube, or Facebook Live. If you haven’t previously registered with Tiltify, please follow the prompts to get signed up and begin fundraising. You can choose to start your own event or join a current fundraising event.

What is Tiltify?

Tiltify is a livestream fundraising platform that provides tools for streamers to easily raise money for a charity. Once registered on the platform, you can begin raising money to support Stand Up To Cancer through your Twitch, YouTube, or Facebook Live! To get started please visit [Tiltify SU2C](#).

Do I have to register with Tiltify in order to host a stream to benefit Stand Up To Cancer?

We encourage our supporters to fundraise through Tiltify. They provide easy to use tools and SU2C is set up to directly receive funds raised by your stream on any of your preferred platforms that connect to Tiltify (e.g., Twitch, YouTube or Facebook Live). You may also use the built-in fundraising tools provided on YouTube and/or Facebook (i.e. Youtube Superchat, Facebook donation button, Facebook fundraiser).

How does my stream benefit Stand Up To Cancer?

Funds raised through your stream support Stand Up To Cancer’s groundbreaking cancer research programs. Our unique research models are expertly designed to initiate collaboration, accelerate the pace of cancer research, and clear the way for high-impact breakthroughs.
