COVID-19 VACCINATION IS THE SAFEST PATH TO COMMUNITY IMMUNITY

Pre-register for your COVID-19 vaccine at

vaccinate.wv.gov

or by calling the WV COVID-19 Vaccine Info Line at

1-833-734-0965

All West Virginians 16 years of age and older are encouraged to pre-register for COVID-19 vaccination by creating a WV COVID-19 Vaccine Registration System account at vaccinate.wv.gov or by calling the WV COVID-19 Vaccine Info Line at 1-833-734-0965.

Vaccine supplies are limited, so pre-registration does not mean immediate access to vaccination. Pre-registration offers West Virginians the opportunity to receive updates on vaccine availability and schedule an appointment when available as vaccine supplies allow.
